## Pathfinder Partners Buys The View at Redondo in Federal Way

FEDERAL WAY, WA-Pathfinder Partners LLC, an investment firm based in San Diego, has acquired The View at Redondo, a 78-unit apartment complex in Federal Way, for \$5.1 million. This is the third acquisition for the firm in the Seattle area in past nine months.

Pathfinder bought the apartment community from a private lender. The company earlier bought the loan on a 29-unit condo development in Kirkland and the loan on a 12-unit townhome development in the Capitol Hill neighborhood of Seattle.
